

FINAL PYRENEES MOUNTAIN STAGE LIVE AT THE BREWERY PRECEDED BY FRENCH DINNER, FROM 9PM

JOIN US AT THE BREWERY FOR THE ULTIMATE DAY OF CYCLING.

Bridge Road Brewers are planning yet another epic day of cycling. Including a French themed three course dinner will kick off the night before we sit back to watch this epic mountain stage of the tour roll through the stunning Pyrenees. Cycling fans will be treated to a fantastic french inspired menu, including entree, mains and cheeses.

Live coverage of the stage will begin after dinner from 10pm, with non dinner guests invited to join us from 10pm.

TOUR DE BEECHWORTH CYCLING LOOP

The brewery will also be hosting two guided cycling loops of the region on Saturday before the dinner.

STAGE 14 - SAINT-GAUDENS PLATEAU DE BEILLE 168.5 KM

This short stage will involve no less than six mountain passes ensuring that it will be very tough: the Col de Portet-d'Aspet, the Col de la Core, the Col de Latrape, the Col d'Agnes, the Port de Lers, and the finish on the Plateau de Beille for the fifth time. History will remember that the winner on the Plateau de Beille has always worn the Yellow Jersey on the Champs Élysées podium. Will the tradition be maintained this year?
