# Message from the Brewers Guild

---

The Brewers Guild of New Zealand is proud to present the results of the 2021 Brewers Guild of New Zealand Beer Awards.

In 2020-2021, considerable work was undertaken to update the competition to ensure it continued to reflect the New Zealand brewing market. This saw the introduction of the Micro Brewery Champion Trophy and the Juicy and Hazy Trophy. In addition, the Brewers Guild invested in a new entry and judging platform that added clarity for judges and enhanced the integrity of the process as results were captured and tracked electronically. The new system also meant that judges could move much more quickly through the process meaning that a team of 25 judges were able to judge 832 beers in 122 style classes in two days. We know that the new results feedback will be more consistent, more targeted, and overall more valuable to entrants.

Our Trainee to Judge program continues to develop and the strength and diversity of our New Zealand judging pool continues to expand. Both industry, and consumers, can be confident in the integrity and excellence of our judging panel.

I would like to thank all of our judges and stewards who volunteered their time and expertise to ensure the success of our competition and who remained flexible and committed as international and regional COVID Alert Levels continued to shift.

Personally, the competition days represent the best of the New Zealand Brewing industry. Individuals from different organisational levels, breweries, supply chain partners and regions work together in a collegiate, respectful and fun environment to deliver a world class competition. Every year it is an uplifting experience to and reminds me why I work so hard for the people in our industry.

As the industry association for brewing in New Zealand – we continue to be humbled by the effort of our members to collaborate and seek out collective success for our industry. The Brewers Guild of New Zealand Beer Awards would not be possible without our members.

This year – every one of the Champion Trophy winners and style class Trophy winners are Brewers Guild members. This is a thrilling result for us, and we believe that this demonstrates that those breweries that are committed to the betterment of every aspect of the industry– are also making the best beer.

I would like to congratulate all of the winners from this year's Awards and hope that you have been able to enjoy our AWARDS'21 celebration wherever you are.

This is my final Awards as Executive Director of the Brewers Guild and I want to thank everyone for their support over the years.

You can find the results of the Awards on the NZ Ale Trail – [www.nzaletail.com](http://www.nzaletail.com)

Sabrina Kunz  
Executive Director

# Awards Summary

---

In 2021, there were **838** entries across **122** style classes and the competition did not include any cider entries.

**832** beers were judged in the competition. The success rate at gaining a medal in the 2021 competition was **52%** which is a slight decrease from 2019.

**Total Entries** \_\_\_\_\_ **838**

**Companies Entered** — **72**
